Description of Other Matter	
	To the Board of Directors and Shareholders of Realt Semiconductor Corporation Introduction We have reviewed the accompanying consolidated balance sheets of Realtek Semiconductor Corporation and subsidiaries (the ??Group??) as at March 31, 2018 ar 2017, and the related consolidated statements of comprehensive income, of changes in equity and of flows for the three-month periods then ended, and notes to the consolidated financial statements, inclu a summary of significant accounting policies. Management is responsible for the preparation and presentation of these consolidated financial statement in accordance with "Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, ??Interim Financial Reporting?? as endorsed by the Financial Supervisory Commission. Our responsibility is to expand a conclusion on these consolidated financial statement accordance with the Statement of Auditing reviews in accordance with t

Content of Independent Auditors Report

Standards No. 65 ??Review of Financial Information Performed by the Independent Auditor of the Entity?? in the Republic of China. A review of consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. Basis for Qualified Conclusion As explained in Note 4(3) and 6(7), we did not review the financial statements of certain insignificant consolidated subsidiaries and investments. which statements reflect total assets of NT\$3,343,961 thousand and NT\$2,643,601 thousand, constituting 6.55% and 5.48% of the consolidated total assets, and total liabilities of NT\$202,332 thousand and NT\$635,983 thousand, constituting 0.71% and 2.39% of the consolidated total liabilities as at March 31, 2018 and 2017, and total comprehensive income(loss) of NT\$4,908 thousand and (NT\$9,558) thousand, constituting 7.24% and 0.85% of the consolidated total comprehensive income for the three-month periods then ended. Furthermore, balances of these investments as of March 31, 2018 and 2017 amounted to NT\$281,748 thousand and NT\$309,952 thousand, respectively. Qualified Conclusion Except for the adjustments to the consolidated financial statements, if any, as might have been determined to be necessary had the financial statements of certain consolidated subsidiaries and investments been reviewed by independent accountants, that we might have become aware of had it not been for the situation described above, based on our reviews, nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of the Group as at March 31, 2018 and 2017, and of its consolidated financial performance and its consolidated cash flows for the three-month periods then ended in accordance with ??Regulations Governing the Preparation of Financial Reports by Securities Issuers?? and International Accounting Standard 34, ??Interim Financial Reporting?? as endorsed by the Financial Supervisory Commission.
